Zeit und Ort: Di 12:15 - 14:45, 04.023

Studienfächer / Studienrichtungen

WPF INF-BA ab 4 (ECTS-Credits: 5)
WPF INF-MA ab 1 (ECTS-Credits: 5)
WPF IIS-MA ab 1 (ECTS-Credits: 5)
WPF CE-MA ab 1 (ECTS-Credits: 5)

Inhalt

This course teaches students how to perform scientific research for their final thesis or a research paper. The goal is to prepare students for a Bachelor or Master research thesis.

The course covers the following topics:

- Science and society
- The research process
- Theory building research
- Theory validation research
- Writing a research thesis/paper
- The scientific community

Students can choose one or both of two components:

- VUE (lecture + exercise), 4 SWS, 5 ECTS. VUE combines lectures with homework and exercises. VUE is run as a 3h block.
- PROJ (small research project), 2 SWS, 5 ECTS. In PROJ, students perform a small research project, either individually or in teams. The available projects will be presented at the beginning of the course. Students perform the research, write a paper, and hold a presentation about their work.

Schedule and sign-up are available at <https://oss.cs.fau.de/oss-nyt-course>. Please sign up for the course on StudOn (available through previous link) as soon as possible.
